

# I may want to go on to university in the future

If you are considering progressing to university there are a few questions to think about:

- What degree I would like to study?
- How much does it cost?
- Where would I like to study?
- Entry requirements?

Prospectuses for universities can be found in the careers library and online at the various university websites.

To find information on university courses, entry requirements, student finance and how to apply visit:
