I would like to go to Sixth Form

Before you decide on which Sixth Form to attend there are various questions you need to ask yourself:

- What subjects do you want to study and do they offer these?
- Do your GCSE results meet the entry requirements?
- How are you going to travel to the Sixth Form and how much will this cost you?
- Do you feel more comfortable in large or small environments?
- Do the facilities on offer cater for your requirements?
- Do the subjects you want to study enable you to progress on to university/ career choice?

To answer all these questions you need to arrange a visit and find out about the Sixth Form open days. Details of these can be found in the library, on notice boards and on the following links:

- [Bilborough College](#)
- [Chellaston Academy](#)
- [Ecclesbourne School](#)
- [John Port School](#)
- [Landau Forte College](#)
- [Millenium Centre\(Derby Moor\)](#)
- [Noel Baker School](#)
- [Woodlands School](#)

Don't forget, to support you in making these choices you can make an arrangement to see Stella Mosley.
