Policy Statement

Introduction

The L.E.A.D. Academy Trust requires this policy to be implemented by all its member academies.

We believe in transparency in our dealings with all stake-holders and everyone having an interest in our work.

The L.E.A.D. Academy Trust will publish:

- Annual accounts for at least the previous two years
- A value for money statement
- An annual report
- The current memorandum of association
- The Trust's articles of association
- The Trust's funding agreement
- Charity trustees' and members' names

The L.E.A.D. Academy Trust defines the policy expectation, but the responsibility for implementation of the policy rests with the Headteacher of each academy.

Legal Framework

Legislation applies only to maintained schools, but new Funding Agreements require academies to publish this information.
